Telephone quotes will not be accepted when competitive sealed bids are solicited. ***In this case only, bids sent by electronic devices are acceptable.*** Proposing firms will be expected to allow adequate time for delivery of their bids either by airfreight, postal service, or other means. Late bids will be time and date stamped late and may be returned to the bidder.
3. Each Bidder shall furnish the information required; the unit price for each item bid must be shown; a total for each item bid must be entered; and in case of error in extension, the unit price shall prevail.
4. Specifications are provided to identify the product required. Bids on alternate products will not be considered. Brochures and/or specifications must be submitted where applicable. The District shall be the sole judge in awarding the bid(s) in regard to quality, price, and performance.
5. The District reserves the right to reject any or all bids and to waive informalities and minor irregularities in bids received, and to accept any or all portions of a bid if deemed to be in the best interest of the District. The Invitation to Bid implies no obligation on the part of the District, and the District's silence does not imply any acceptance or rejection of any bid or quotation offer.

The District reserves the right to select a bid with higher prices than the lowest of all prices received, if, in the opinion of the District, its interests will be best served by such bid.

6. Bidders are expected to examine the drawings, specifications, schedule of delivery and all instructions. Failure to do so will be at the bidder's risk.
7. Prices shall include all applicable discounts. If the successful bidder is offering a discount for quick payments, please state all payment terms in your bids.
8. The agreement will be awarded to that responsive and responsible bidder(s) whose bid will be most advantageous to the District, price, specifications and other factors considered. When a date is set for the delivery of merchandise or the performance of work, said merchandise must be delivered, and/or work must be performed, on or before said date, or the agreement for the delinquent merchandise and/or work may be canceled and awarded to another bidder. In such case, the District shall have the right to buy such merchandise and have such work performed at market price for immediate delivery, and all excess costs shall be paid by the bidder whose merchandise and/or work was delinquent.
16. Other governmental agencies may be extended the opportunity to purchase off any Bid with the agreement of the successful vendor and the participating agencies. Due to all the variables in this type of bid, the District will contact the successful bidder and make it aware of the interest by

another agency (if any). The successful bidder and the interested agency will then be able to design the successful bid around their parameters, i.e., delivery locations, products, etc.

17. Provider (vendor) must have the ability to accept the Lee's Summit R-VII School District Visa purchasing card without passing on any additional fees to the District. The vendor must provide bid prices for the items purchased with a Purchase Order and the bid prices for the items if the purchase is made using a District P-Card if these prices are different. These prices must be clearly labeled and the reason(s) notated as to the pricing difference. The decision how the purchase will be made and paid for will be made by the District.
18. The bid process is open and fair to everyone. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all bidders will be advised via the issuance of an amendment to the Invitation to Bid, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the Invitation to Bid, any questions received less than five (5) calendar days prior to the opening date may not be answered.
