Re: Renewal of Yearly Contract for Purchase of Fuel

Dear Mr. Baldwin:

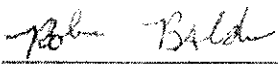

I am writing in regard to the above referenced contract that your company has with the Lee's Summit R-7 School District. The contract expired on March 4, 2017, and is eligible for an additional one-year renewal, in accordance with the District's Purchasing Policy.

Since the District has continued to buy fuel from Carter Energy and Carter Energy has continued to sell fuel to the District, we consider this to be your acceptance of a renewal of this contract for the additional one-year period of March 5, 2017 – March 4, 2018. Please complete the appropriate section below and return your response to me as soon as possible via email, fax at 816-986-2454 or by US mail. If a price increase is requested, please attach manufacturer/supplier documentation that supports the price increase. If a price increase is requested for a renewal period the increase will be limited to the current Federal Price Index, "CPI-U, All Items" (Urban Consumers) index CPI rate.

Thank you for your consideration in this matter. If you have any questions concerning this, please feel free to contact me at 816-986-2196.

Sincerely,

Christa Battaglia, CPPB
 Purchasing Supervisor
