Re: Renewal of Yearly Contract Request from Presentation Tools, Bid #2016-08

Christa,

I'm writing in follow-up to your letter of May 9th regarding the above-referenced contract which expired on March 21st.

We would like to renew the contract for an additional one year. I have attached your letter with the appropriate section completed. We are not requesting any price increases.

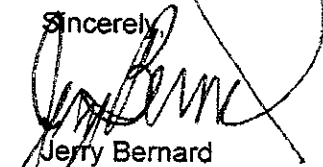

We are requesting that the Epson Powerlite 680 projector be added to the contract. This would be an alternative to the comparable NEC projector you are already purchasing. Now that Epson has a short-throw offering that meets your specifications, we feel it is a worthwhile addition.

Attached is the form which provides information and pricing on the Epson unit.

After reviewing this, please contact my colleague, Tracy Walden, or me with any questions, or to arrange for any next steps. We'd appreciate your confirming receipt.

Thanks for the opportunity to be of continued service to the District.

Sincerely,

Jerry Bernard
