**SECTION 1**

**INTRODUCTION**

The Board of Education of the Lee’s Summit R-VII School District (hereinafter “District”) will receive sealed proposals from qualified financial institutions for providing Corporate Purchasing Card Services (hereinafter “Proposer”) to the District for a term beginning July 1, 2018 through June 30, 2019 and will automatically renew at the same terms for up to four (4) additional years, at the District’s option, based upon satisfactory annual review.

The purpose of this Request for Proposal (RFP) is to establish the requirements for the Corporate Purchasing Card Services and to solicit proposals from qualified financial institutions (hereinafter “Proposer”) for providing services. The RFP requests a great amount of detail to avoid delays, misunderstanding, and to simplify the evaluation of the proposals. The Proposer is requested to respond to each specification.

The objective of this RFP is to identify the Proposer that can offer the highest quality services/program and to maximize the financial rebate earned on card transactions.

**BACKGROUND**

The District is a political subdivision of the State of Missouri and is governed by a seven-member Board of Education. Located in Jackson County, the District provides education to approximately 18,000 students in Kindergarten through Grade 12. The District’s mission is to prepare each student for success in life.

The District operates eighteen elementary schools, three middle schools, three high schools, two alternative education centers and one Early Childhood Education Center. You can learn more about the District by visiting its web site at: [www.lsr7.org](http://www.lsr7.org).

The District’s current school year 2017-18 expenditure budget is approximately \$290 million. The District employs approximately 2,600 regular full time and part time individuals.

## SECTION II

### **GENERAL CONDITIONS**

1. The Proposer must submit a complete proposal covering all requirements identified in this RFP package in order to be considered. All proposals will be carefully scrutinized to ensure that such requirements can be met. Proposals submitted must be the original work product of the Proposer.
2. One (1) original signed Proposal along with five (5) copies of the Proposal shall be sealed and plainly marked on the envelope with the name "Purchasing Card Proposal" and delivered to:  

Lee's Summit R-VII School District  
Purchasing & Distribution Office  
Attn: Christa Battaglia  
702 SE 291 Highway  
Lee's Summit, MO 64086
3. Proposals will be received until 2:00 p.m., CST, May 11, 2018. Electronic or facsimile offers will not be considered in response to this RFP, nor will modifications by electronic or facsimile notice be accepted.
4. Proposals may be modified or withdrawn by written notice or in person by the Proposer or its authorized representative, provided its identity is disclosed on the envelope containing the proposal and such person signs a receipt for the proposal, but only if the withdrawal is made prior to the deadline.
5. The information presented in the RFP is not to be construed as a commitment of any kind on the part of the District. There is no expressed or implied obligation for the District to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.
6. All proposals must be submitted on the District forms as attached with this specification. Proposals submitted on forms other than the enclosed may be rejected. No alternate proposals that significantly deviate or modify the concept and ultimate objectives of this proposal will be considered. Non-compliance with RFP specifications will disqualify proposals from further consideration.
7. Any explanation or statement that the Proposer wishes to make must be contained with the proposal but shall be written separately and independently of the proposal proper and attached thereto. Unless the Proposer so indicates, it is understood that the Proposer has proposed in strict accordance with the RFP requirements.
8. The District reserves the right to reject any or all proposals and to waive informalities and minor irregularities in proposals received. The District, in its sole discretion, will determine whether an irregularity is minor.

9. All proposals shall be deemed final, conclusive and irrevocable and no proposal shall be subject to correction or amendment for any error or miscalculation. No proposal shall be withdrawn without the consent of the District after the scheduled closing time for the receipt of proposals.
10. Proposals, prices, terms and conditions shall remain firm for a period of ninety (90) days from the due date for proposals or until that time when the District takes official action on the proposals.
11. The Proposer is responsible for its own verification of all information provided to it. The Proposer must satisfy itself, upon examination of this RFP, as to the intent of the specifications. After the submission of the proposal, no complaint or claim that there was any misunderstanding will be entertained.
12. Requests for interpretation must be made in writing to Kendra Hutsell no later than 4:00 p.m. on April 27, 2018 at [kendra.hutsell@lsr7.net](mailto:kendra.hutsell@lsr7.net). Any information given to a proposer concerning the RFP will be furnished as an addendum to the RFP if, in the District's sole discretion, such information is deemed necessary to all proposers in submitting proposals in response to the RFP, or the lack of such information would be prejudicial to uninformed proposers. The proposer should rely only on written statements issued by the District in the form of addenda to the RFP.
13. No oral interpretation will be made to any proposer as to the meaning of the RFP. Any oral communication will be considered unofficial and non-binding on the District. Unauthorized contact by the proposer with other District employees or Board members regarding the RFP may result in disqualification.
14. Proposals may contain data that the proposer does not want used or disclosed for any purpose other than evaluation of the proposal. The use and disclosure of such data may be so restricted, provided the proposer marks the cover sheet of the Proposal with the following legend: **“Technical data contained on pages \_\_\_\_\_ and \_\_\_\_\_ in this Proposal furnished in connection with the Request for Proposal of the Lee’s Summit R-VII School District shall not be used nor disclosed except for evaluation purposes, provided that, if a Contract is awarded to this Proposer as a result of or in connection with the submission of this Proposal, the Lee’s Summit R-VII School District shall have the right to use or disclose technical data to substantiate the award of a Contract.”**
15. The above restriction does not limit the District's rights to use or disclose without the proposer's permission any technical data obtained independently from another source. Proposals shall not contain any restrictive language different from the above legend. Proposals submitted with restrictive legends or statements which differ from the above will be treated under the terms of the above legend. The District assumes no liability for disclosure or use of unmarked technical data and may use or disclose the data for any purpose.
16. The District may accept one part, aspect or phase, or any combination thereof, of any Proposal unless the proposer specifically qualifies its offer by stating that the Proposal must be taken as a whole.

17. The District may award a contract based upon the initial Proposals received without discussion of such Proposals. Accordingly, each initial Proposal should be submitted from the most favorable price and service standpoint.
18. The District may, at its option, conduct interviews after receipt of the Proposal.
19. The District reserves the right to hold negotiations in an attempt to clarify and qualify terms of any Proposal.
20. The District reserves the right to negotiate final contract terms with any proposer, regardless of whether such proposer was interviewed or submitted a best and final Proposal.
21. The District may accept any Proposal as submitted whether or not negotiations have been conducted between the parties.
22. Neither the commencement nor cessation of negotiations shall constitute rejection of the Proposal or a counteroffer on the part of the District.
23. The proposer shall not, under penalty of law and immediate disqualification of the Proposal, offer or give any gratuities, favors or anything of monetary value to an officer, employee, agent, or Board of Education member of the District for the purpose of influencing favorable disposition toward a submitted Proposal or for any reason while a Proposal is pending or during the evaluation process.

Additionally, the District shall in good faith decide all inconsistencies and/or disputes pertaining to the RFP and the Proposal. The proposer agrees to abide by the decisions of the District.
26. The District, in its discretion, may terminate the Agreement in whole or in part at any time, whenever it is determined that the successful proposer has failed to comply with or breached one or more of the terms and conditions of the Agreement or specifications incorporated therein and the successful Proposer has failed to correct such failure or breach to the District's satisfaction within a period of 15 days after receiving written notice thereof from the District. In the event of the partial or total termination of the Agreement, it is hereby agreed that the District shall only be obligated to pay in accordance with the terms of the Agreement for materials and services, which have been accepted by the District.
27. The District may terminate the Agreement without cause by notifying the successful Proposer in writing 30 days prior to the effective date of termination. The successful Proposer shall not incur new obligations after the effective date of termination and shall cancel as many outstanding obligations as possible.
28. In the event the Board of Education of the District fails to approve the appropriation of funds sufficient to provide for the District's obligations under the Agreement, or if the funds are not appropriated due to federal, state or local action, the District shall have the right to terminate the Agreement by providing written notice to the successful proposer and the District will thereby be relieved from all further obligations under the Agreement.

29. The District may terminate the Agreement immediately without further cost or liability in the event of the occurrence of any of the following: insolvency of successful proposer; liquidation or dissolution of successful proposer; the institution of any voluntary or involuntary bankruptcy proceeding by or against the successful proposer; assignment by successful proposer for the benefit of creditors; or the appointment of a receiver or trustee to manage the property of the successful proposer.
30. If a Proposal is accepted as submitted, the negotiated final Agreement shall consist of the Agreement, this RFP, plus any addenda thereto, and the proposer's Proposal.
31. In the event the Agreement initially awarded by the District is terminated for any reason within 120 days of the due date for Proposals, the District reserves the right to negotiate and accept any other submitted Proposal.
32. The District shall not be responsible for any pre-Agreement expenses of any proposer, including the successful proposer, incurred prior to the commencement of the Agreement.
33. #### **RIGHTS TO PROPOSAL DATA**

Except for technical data contained on pages \_\_\_ of the Recipient's proposal dated \_\_\_\_\_, which are asserted by the Recipient as being proprietary data, it is agreed that as a condition of the award of this contract, notwithstanding the provisions of any notice appearing on the proposal, the \_\_\_\_\_ shall have the right to use, duplicate, and disclose and have others do so for any purpose whatsoever, the technical data contained in the proposal upon which this contract is based.

#### **AMENDMENTS TO RFP**

If this RFP is amended, all provisions which are not modified remain unchanged.

Oral explanations or instructions given before the award of the contract shall not be
